Oklahoma National Stockyards Weekly Cattle Summary							
Compared to last week: Feeder steers and steer calves steady to 2.00 higher. Feeder heifers and hiefer calves steady to 1.00 lower. Feeder cattle lightly tested. Demand very good for light weight calves and long weaned or true yearling cattle. Calf conditions continue to improve. Calves in thin to moderate flesh, few fleshy. Quality plain thru attractive. Limited numbers of feeder cattle and 3 weeks of auctions left in this year, including this week helps fuel the demand for feeders. Supply included 45 percent over 600 lbs and 43 43 percent heifers.
